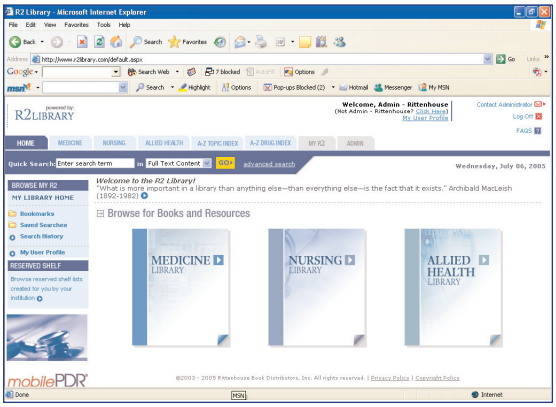
Electronic Books for Health Sciences

The R2 Library

Search in the fields of Medicine, Nursing and/or Allied Health!

This online resource is now available on trial at the Library...

LOG IN TO CHECK IT OUT!



Quick Search

Any index terms can be searched across available resources at the paragraph level. View relevant indexed results or full text results in one click.

Advanced Search

Refine your search by defining Author, ISBN, Title, Discipline, Images, Multi-Media, or link out to search journals with PubMed and/or Cinahl.

A - Z Topic Index

Alphabetical listing of all indexed terms from available resources within the R2 Library.

A - Z Drug Index

Alphabetical listing of drug names, information and monographs from available resources within the R2 Library. Drugs names are hyperlinked throughout the R2 Library.

User Tools

- Print section
- Bookmark page to link to key information
- Email results to a colleague
